MENAGERIE

*The Original Stainless Steel Wine Pourers
by In Vino Veritas*

The original stainless steel pourer-aerators from In Vino Veritas, MENAGERIE Pourers have been delighting tasting room customers since 2013. Cast in high-grade stainless steel from original hand sculptures, our extensive selection has something for every wine enthusiast. Fun, stylish, unique, and functional, these characters will liven any dinner party, while aerating as they pour.

New styles are introduced each season; check our website regularly for updates!

“St. Francis Winery & Vineyards has been using Menagerie aerators to pour our award-winning wines in our Sonoma Valley Tasting Room for several years. It is such a delight to see how much intrigue and excitement the pourers bring to the tasting experience. We have so much fun showcasing the wide variety of Menagerie pourers to visitors, and have had great success with the products in our gift shop.”

St. Francis Winery & Vineyards, Sonoma Valley, CA

“Menagerie are wonderful products, well made, stylish, good quality and they fly out the door! And not to mention the customer service from Vino Veritas is like none you will experience anywhere! They are truly the best! They can turn my orders around in 24hrs, and such a pleasure to work with. Please do yourself a favor and give them a call!”

Bill Chambers, Director of DTC, Silverado Vineyards

“We started carrying the duck wine pourer/aerators over five years ago at Duckhorn Vineyards. Starting in year one it was the highest selling item of merchandise we had, so we quickly expanded to include various animals from their menagerie. Everyone that walks through the door loves them and purchases them in multiples. The only thing that exceeds their wonderful product is their customer service, we love working with the In Vino Veritas Team!”

Angela Frederick, Senior Manager of Hospitality Operations at Duckhorn Vineyards

Divider fully folded,
converting the carrier
to an eco-friendly,
reusable grocery bag

Dual Functionality

Our 6-Bottle Custom Carry Bag is our most popular size. Available in jute, juco (a jute-cotton blend), or heavy canvas, these sturdy bags are durable and functional, and look great.

Best of all, the 6-bottle size comes with a handy collapsible divider -- which converts the bottle carrier to a handy grocery bag.

Customers will enjoy years of use while promoting your brand every time they shop.

In jute, choose from standard colors in either solid or two-tone. Juco and canvas are available in natural. For large orders, custom dyeing is also an option.

Screens and setup are free of charge, and up to 4 print colors are included. Additional colors may be added. Minimum order is only 250 pcs.
